Personal Profile:

Jackie is the Director of Positive OT & Case Management Ltd, an independent OT and Case Management service which focuses on holistic and practical strategies to enable clients to reach their chosen goals. Jackie established the business in 2017, and she continues to provide hands-on case management services alongside her role as Managing Director.

Jackie has worked in the case management industry since 2008 and continues to practise as both an Occupational Therapist and a Case Manager. She spent the majority of her career working as a Children and Young People's Occupational Therapist in the community, gaining extensive experience in supporting children, young people, and adults who have sustained life-changing and catastrophic injuries.

She is committed to the development and professional progression of the case management sector. Jackie is an Advanced BABICM member, a CMSUK member, and has recently been appointed to the Board of CMSUK, where she now serves as a Director.

Since 2017, Jackie has also practised as a Care Expert and an Occupational Therapy Expert, providing expert witness reports in personal injury and clinical negligence cases.
