### Personal Profile:

Jenny is a passionate Occupational Therapist and Case Manager with extensive expertise in vocational rehabilitation, equipment provision, adaptations, moving and handling, amputees (including use of myoelectric technology), dementia, mental health, neurology and long-term conditions. Jenny has experience across a range of NHS, GP services and private practice supporting paediatric, adult and older adults with various needs including physical disabilities, long-term conditions, amputations, personal injury, birth related injuries, work related injuries and complex poly-trauma. Jenny also holds a volunteer role as Community Engagement Lead for the Royal College of Occupational Therapists Health and Work specialist section. She has excellent communication skills and works well to include all relevant parties within a patients care ensuring an individualised person-centred approach.
